

READY TO GO DEEPER?

You just built real AI tools for your business. Here's how to keep going.

FULL AI WORKSHOP \$297

4 hours. Completely hands-on. You leave with a complete AI toolkit.

- Complete RACE framework mastery (advanced prompting, chain prompting)
- Build your personal prompt library (50+ prompts by business function)
- Set up your first automation (AI that runs while you sleep)
- 3 AI tools fully configured for YOUR business
- Access to the private community

AI STARTER PACK \$497

Everything from the workshop + a 30-minute 1-on-1 with Brandon.

- Full 4-hour workshop (everything above)
- 30-minute 1-on-1 call — Brandon sets up AI for YOUR business
- 50+ ready-to-use prompts organized by business function
- 30 days of email support
- Quick-start guides for Claude, ChatGPT, and Copilot

2-DAY INTENSIVE \$997

2 full days. Capped at 10. You leave with a custom AI system running.

- Saturday + Sunday, 9 AM - 4 PM
- Day 1: Advanced prompting, AI agents, workflow automation
- Day 2: Build YOUR custom AI system — automations running when you leave
- Everything in the Starter Pack included + 60 days support + lunch both days

CORPORATE TEAM TRAINING \$5,000 - \$10,000/day

On-site at your office. Custom curriculum for your industry. Less than \$500/person.

Talk to Brandon tonight about bringing this to your company.

AI CONSULTING Starting at \$4,997

Don't want to learn AI? Brandon's team audits your operations and builds AI solutions for you.
Brandon runs 5 businesses on AI. He'll do the same for yours.
